

## No Secret Is Revealed

Presenting the first singles of the newly released debut album, No Secret Is Revealed by artist Trismegistus.

Trismegistus is quickly becoming a prominent force in the fight to cure ignorance through melody. The unique style is choppy and gritty, and brings a tone of seriousness to the responsibility of musical artists.

In this album, we hear a series of carefully sequenced music, bearing an important message for humanity. Supported by history, we hear prominent figures tell us how... No Secret Is Revealed.

We were warned...
